TJCII Formation Course 2024

12-21ST APRIL 2024

HAINBURG, AUSTRIA

TJCII EUROPE FORMATION COURSE

THE CONCEPT

Idea behind:

As we approach the Second Coming of our Jewish king Jesus, we can see how His Spirit is completing His work of reconciling the Jewish people and all nations, within the church He designed from the beginning. This Formation Course will take us through God's big plan in seven sessions: After the vision and prototype in the Old and New Testament, especially the Book of Romans, we will learn how the church lost its Jewish heart. The history of Gentile and Jewish mission then comes together in the work of the Holy Spirit since 1967, and we end with the key role of Messianic Jews in church unity, especially Towards Jerusalem Council II.

Form:

The course will include worship and times of prayer, two Shabbat dinners and a visit to Vienna to learn about repentance for Christian antisemitism. Learning from our international teachers will then be applied in practical sessions, and there will be lots of time for building friendships and serving together.
